

# NORTHUMBERLAND HEATH PRIMARY SCHOOL

*The more that you read, the more things you will know, the more that you learn, the more places you'll go." – Dr. Seuss*

Dear Parents/Carers,

We hope you had a restful summer with your loved ones. Typical, the week we come back to school, the sun comes out!

It fantastic seeing the children come into school on Thursday, they all looked great in their uniform – keep it up! As expected, there was some confusion as to where to go, but with practise, this will get better. The children settled so well and were very calm. We have spoken to them about our new expectations of walking around school, lining up, coming in and out of assembly and senior leaders were and will be around to support with ensuring the school remains calm and purposeful.

It was lovely seeing some of the parents staying to meet their child's new class teacher on Thursday, we hope you found that useful.

Lunchtimes have slightly changed, and we have invested in new equipment, which should be arriving next week. This will keep children active and engaged and will hopefully reduce the potential incidences that may occur. The Pantry catering company started with us, and I must say, the food looked and smelt lovely!

We have had lots of work that has taken place over the holidays, all corridors, staffroom, doors, and the hall have been painted. The Y3/4 boys' toilets have had a total refurbishment, the nursery canopy has been replaced and we have been recreating our classrooms with our new expectations.

The school is on its way to looking amazing. We have spoken to the children about having a beautiful school and looking after it and showing respect to our surroundings. We will have a rolling programme for classrooms and other rooms to be painted over the next year or so.

The weekend is looking very hot, so keep safe and we look forward to seeing you on Monday,  
Ms D Indresano and the NHP Team.

If you are unable to access the Arbor app, please speak to the front office.

# Reminders...

Children's water bottles must only contain water.

No jewellery is to be worn at school. Watches are only for Years 3 -6 (not smart watches) and only stud earrings please.

No toys, pens, books, fidget toys (we will provide these), football cards etc to be brought into school.

If your child is in years 3 - 6 and would like to join the school choir, please let the School Office know.
